English Challenge 2024

Year 5 and 6s have been busy preparing and taking part in a local English Challenge. They took part in four rounds: a book round; a memory round where they had to memorise a poem and write down as much as they could; a basic skill round with SPaG questions and a text types round where they had to name which genre different extracts were. They worked well together as a team and were keen to do their best!

Spring 2024 Report from Mrs Jane Goose, Chair of Governors

Hello again with my update of everything that your governors have been doing so far this year.

Sadly, we have said goodbye to two longstanding governors, Samantha Boyall and Jenny Rushmer, who have resigned because of work and family commitments. Our heartfelt thanks go to them for their loyal service.

Advertisements went out to find new governors and I am pleased to say we had a very good response. We welcome Kimberley Holt as our new Parent Governor and Rebekah Crockford as our new Community Governor. They are following training at present and will be given a tour of the school in March together with an informal meeting with myself and other governors. They have both attended their first LGB meeting.

We have all been very busy with our visits which are linked to the main objectives on the School Development Plan. Wendy Neale has looked at Safeguarding by meeting with Mrs. Willett. She has also been to the Reception Class to look at how oracy is being taught. Howard Elvidge has made a visit to look at Art as the school is aiming for the Gold Mark. Emma Booty has had a meeting with Mrs Willett to look at how attendance is monitored and how absences are followed through. Howard and myself have met with Mrs Pooley to find out how the Foundation Subjects are assessed. I have been following the work done by Miss Gill to monitor girls' attitudes and perceptions towards mathematics.

Many of us have attended the Diamond Trust briefings for governors and I attend the Chair meetings as well as meeting with Miss Garner and Mrs Irvine.

Some of us came to The Christingle, Christmas Fayre and the Nativity. I believe that I speak for all the Governors when I say that we feel very proud of Leverington Primary Academy, both its children and staff.

Happy Easter,
Jane Goose [Chair]
