

# LPA NEWS

October 2023

## Welcome & Congratulations!

We have some more lovely news to share with you all. Miss Morris is expecting her first baby. I'm sure you would all like to join in congratulating both Miss Morris and her partner on such wonderful news!

This term we have welcomed two new members of staff to our team. Mrs Goude is our new Teaching Assistant working within the Reception classroom. Mrs Grove has also joined our midday supervising team.

### Community Governor

An opportunity has arisen for a member of our community to join our existing Governing Body. If you know someone who isn't a direct parent or guardian of a pupil at school, who may be interested, please contact the school office.

## Parent Consultations

This week teachers will be holding their autumn term Parent Consultation evenings. If you are having any problems in signing up for an appointment, please contact Mrs Hanlon in the office who will be happy to help. Please can we remind you that these evenings are for parents only.

## Thank You!

We would like to say a big thank you to everyone who has supported our fundraising activities so far this term. Our McMillan coffee morning raised £174 for this worthwhile charity. A lovely time was had by all and the selection of cakes donated were delicious! Our annual Harvest Festival was a real treat yesterday. The Wisbech Foodbank were grateful for all the donations given.

## IMPORTANT

Please can we remind you all that Leverington is

**A NUT FREE SCHOOL**

We do have children in school that have severe nut allergies so it is vital that these products or any products containing nuts are not to be brought into school.
