

SUMMER

Edge Class

LEARNING SUMMARY

Spelling

Spelling this term will involve revision of the previously taught patterns and rules and ensuring a good understanding of statutory and tricky words.

Reading

We will be reading "Ways to be Me" by Libby Scott and Rebecca Westport as our class reader as well as Floodland by Marcus Sedgwick as the story that our writing work will be based around.

Writing

We will use the story "Floodland" by Marcus Sedgwick as inspiration for writing newspaper reports and detailed short narratives.

Maths

For maths we will be learning how to efficiently convert different types of measure and revising previously taught content ahead of the SATS tests.

Science

Our science topic this term is "living things and their habitats" and we will be learning how to classify and group different animals and organisms depending on where it is that they live.

History

Our History study for the summer term is entitled "Significant Monarchs" and will look at the impact that monarchs, such as Henry VII, had on England as a whole.

Geography

For Geography this term we will be looking at different countries around the world and comparing their climates, population and other key features.

Religion & World Views

For our RE study for this term we will look at the question, "What place does Religion have in our world?"

Art

Our Art topics this term will look at the skill of sculpture and also at perspective drawing.

Design Technology

Our DT projects for this term will look at developing key skills to create a steady hand game, and automata machine and a product concept for a portable navigation device.

Music

Our music topic for this term will be "Film Music." We will look at the different ways that music is used in film to convey mood and feelings within a piece.

PSHE

Our PSHE topics for this term will look at financial capability and understanding and managing change. We will begin work to aid transition to secondary school as well.

Computing

Children will explore and create objects in 3D design software. They will plan, design and create their own 3D design.

PE

Our regular PE day is Wednesday afternoons, but PE kits should be in school everyday in case timetables need to change.
We will also be swimming after half term in the second part of the summer term.

HOMework

HINTS

Weekly expectations

- Read Accelerated Reader book for 15-30 minutes, four times a week. Record pages read and any notes on Showbie.
- Numbots/ Time Tables Rock Stars for 5 minutes, four times a week.
- Rollama grammar games for 5 minutes, four times a week.
- Spellings

SATS

Year 6 SATS week is the week beginning May 12th 2025. We ask that children are in school promptly each day so that tests can start at 9am.

Return completed homework tasks to school or upload photos to Showbie for half termly star cards and Dojos.

SATS Breakfast Club

A free breakfast will be available each day of SATS week for all year 6 children. Doors will open from 8:15 and is usually a very popular offering.

Musician of the Month

Can you research and listen to our artists for this term?

April: Bessie Smith

May: Kishori Amonkar

June: Buena Vista Social Club

July: Barbara Strozzi
